Details:

- Johnathan Corey polo shirt is a women's shirt with a v-neck and two small buttons in true navy.
- Johnathan Corey 3/4 sleeve is a v-neck women's t-shirt material in true navy.
- Jerzees 7.75 weight crewneck sweatshirt is true navy—not too heavy.
- The ponytail baseball cap has sort of an "open" back and is a "girl" hat. It will be a navy washed pigment color so it looks a little more demin colored than true navy. It is low profile so it fits snug and doesn't "stand up" like a man's hat.
