

## Meet & Greet Committee Updates

### Message from President Connie,

I hope that you enjoyed the picnic at my house. Too bad it stormed before we got to enjoy the pool. Maybe next year! The new tablecloths that we bought with the proceeds from the picnic will be used at the next meeting at the Elks. I think that they will be a big improvement. We will also hear from Meghan and Michelle about their exploits in Vancouver. This will be entertaining as well as informative.

Our committees will be meeting and working on the August Meet and Greet displays. Please review committee lists below and send me any updates. If you are not on a committee, you can let me know which committee(s) you on which you would like to serve. Committee Chairs please make every effort to be at the July meeting. If you can not make it, please have a substitute there to discuss your display.
